

St. Rose Dominican Hospital
July 23, 2008

One of our many community outreach events includes player appearances at local Southern Nevada hospitals. Pictures below were taken at the St. Rose Dominican Hospital Sienna Campus during one of these appearances. Pitcher, Heath Totten, infielder, Kevin Howard, and mascot, Cosmo visited with patients from the children's ward and autographed baseballs, hats, as well as Las Vegas 51s calendars.
